Worshiping Through Our Giving

Doxology*

Special Music

“Go Light Your World”

There is a candle in ev'ry soul, Some brightly burning some dark and cold
There is a Spirit who brings a fire, Ignites a candle and makes His home

Chorus

So carry your candle run to the darkness, Seek out the hopeless confused and torn
Hold out your candle for all to see it, Take your candle and go light your world
Take your candle and go light your world

Frustrated brother see how he's tried to, Light his own candle some other way
See now your sister she's been robbed and lied to, Still holds a candle without a flame

Chorus 2

So carry your candle run to the darkness, Seek out the lonely the tired and worn
Hold out your candle for all to see it, Take your candle and go light your world
Take your candle and go light your world

We are a fam'ly whose hearts are blazing, So let's raise our candles and light up the sky
Praying to our Father in the name of Jesus, Make us a beacon in darkest times

Chorus 3

So carry your candle run to the darkness, Seek out the helpless deceived and poor
Hold out your candle for all to see it, Take your candle and go light your world
Carry your candle run to the darkness, Seek out the hopeless confused and torn
Hold out your candle for all to see it, Take your candle and go light your world
Take your candle and go light your world

“You are Salt and Light”

Worshiping Through Our Response*

“Higher Ground”

I'm pressing on the upward way, New heights I'm gaining ev'ry day
Still praying as I'm onward bound, Lord plant my feet on higher ground

Chorus

Lord lift me up and let me stand, By faith on heaven's tableland
A higher plane than I have found, Lord plant my feet on higher ground

My heart has no desire to stay, Where doubts arise and fears dismay
Though some may dwell where those abound, My prayer, my aim, is higher ground

I want to live above the world, Though satan's darts at me are hurled
For faith has caught a joyful sound, The song of saints on higher ground

Benediction*
